

# Whaleback Times

April 12, 2020

Happy Easter!

Hope everyone is staying safe.. and sane. This will be a short and final edition of the *Whaleback Times* for the year.

## **Grooming after Monday, April 13th**

Tomorrow, Monday, will be the last day of grooming. As of 5:00PM April 13th, The Whaleback Nordic Ski Club will suspend its activities for the season. The gate will be closed. If any member wants to ski the trails, you do so at *your own risk*.

## **Thank You Volunteers**

To those who volunteered and contributed in our club's smooth running, I thank you very much. Whether your efforts were as a chalet attendant, served as an executive member, Jack Rabbit Program or when we hosted club activities, in the stadium, kitchen, timing room or selling CCNL tickets, it was greatly appreciated. Your enthusiasm and smiling faces made this ski season one of the best!

## **Whaleback AGM and Election of Officers**

Our AGM and election of officers will (hopefully) take place in the fall. Date to be announced.

Take Care and Stay Safe,  
Greg N.
