

Whaleback Times

April 26, 2019

Hello again...some final thoughts as the ski season draws to a close.

Whaleback AGM - Sunday, April 28th

Hope you will be able to make our AGM this Sunday at 2:00PM. Financial, Membership, New Chalet and Jack Rabbit Reports...all brief and to the point. Won't be keeping you too long at all. Prizes for PWC(have to be present to claim prize) and small social afterwards. As Jed once said "...Man be a dang fool to miss it."

Percy's Path - No wood left!

What a morning at the chalet...all wood hauled from Percy's Path, drag stored away, wood room almost filled, snowmobiles stored for the summer...great progress indeed. Thanks to Brian Carter, Mark, Doug, Peter, Neil, Jack and Peter. Thanks to Brian for donating his splitter and Jimmy Strickland for use of his sleigh. Chalet should be toasty warm next winter. Hmmmmmmm.

Last call to clean lockers

Chalet is locked daily, so, the last chance to clean out your locker will be this Sunday following our AGM. Get to it!

Planting seedling on Percy's Path

Last June, thanks to club members, Girl Guides and Boy Scouts, over 700 seedlings were planted on PP. Got a phone call from Paul Gernier the other day, saying he'll have another 700 seedlings for delivery this coming June. Help will be needed to plant them. An email will be sent out when I hear from Paul saying that seedlings have arrived. Stay tuned.

Enjoy
Greg N.
