

Candlelight Snowshoe

Whaleback Nordic Ski Club,
Cold Brook Road
Saturday, February 3rd

To celebrate Whaleback's 50th Anniversary, we are partnering with College of the North Atlantic's Health & Wellness Initiative to create a fun and magical event! Come out to connect with nature and each other on a guided snowshoe trek through a candlelit trail. Afterwards gather at the chalet for a hot cup of tea, coffee or hot chocolate, conversation and snacks around the wood stove or bonfire. Refreshments and treats will be generously provided by the CNA's Health & Wellness Initiative.

We have a limited number of Snowshoe rentals for \$5/person
