

Whaleback Nordic Ski Club

Whaleback Times

Hello:

Hope everyone had a nice Valentine's Day yesterday. I took my better half, Debbie, to the most romantic place in town...a trip up Heart Rate Hill. An enjoyable venture for sure.

Some of the stuff going on in the club...

Yes, [a Bake Sale which starts at noon and a Member's Special...bring a friend to tour our trails.](#) Day pass and ski/snow shoe rental is complimentary. What a way to celebrate this great winter sport! Go for a ski and then return to purchase some goodies to replenish the calories burned. Win - Win. Don't miss out.

On Monday, Dave King and Bruce Legrow skied the 20 km, classic ski event. Both of the boys skied well and had great times. Bruce placed 2nd in his age group while Dave placed 6th. Congratulations to all. Today, Dave and Flo, Jackie and Bruce are competing in the 10km classic ski. We wish them their best.
