## CELEBRATING 50 YEARS OF HEALTHY LIVING

Hey...the weekend is here...another nice one at the ski park

### **Whaleback Memorial Loppet:**

Earl, Graham and Howard got the signs all nailed down. Kenny says the course is groomed and ready for skiers, Georgina has the kitchen filled to the brim. Peter and his officials have their watches ready to go. All we need is **You**.

Start time: 11:00AM.

### **Recycling Depot:**

Again, thank you to those members bringing in their recycles. Big help! Every item adds up.

### **PWC**

With the Memorial Loppet scheduled for this Saturday, Club goal this weekend is set at 15,000 kms. I think its within reach. Go for it. Keep skiing and keep ticking.

### **CCNL Ticket stubs**

Still a few tickets out there! Time to turn them in...draw is 8 days away. Make sure the tickets you sold are in the draw. Don't miss out!

## **Marathon Early Bird Discount**

10% discount on registration and banquet expires Saturday night.  
Don't be left out in the cold.

## **2nd Pulk for the club**

Thanks to Natalie, Graham and Lori for spearheading the acquisition of a second pulk for members. Yes, now we have two pulks for those parents to use to bring infants around the trails. Looks like fun...why didn't they have these around when I was a young gaffer?
