More stuff off the Press...

## Western NL Qualifier Races

As a result of all the rain and warm temperatures, the races did not go ahead at BMD this past weekend. The flow of emails I been reading, indicate that the selection races may go ahead in St Anthony on Jan. 20th and 21st. Stay tuned.

## Correction

Everyone knows about the Candle Light Snow shoe evening planned for Feb. 3rd. I mentioned in the last edition of WT that there was a \$5.00 charge. My mistake, no charge to rent snow shoes. Mark this event in your calendar as a "Place To GO" on Feb. 3rd. Start time: 7:00PM.

## Percy's Path

After much consideration, it was decided to name the new 1.2 km trail Percy's Path. The name is quite fitting, Whaleback Nordic is celebration its 50th Anniversary and Percy Pieroway was one of its founding members. Congratulations Percy.

## World Masters:

We wish Bruce, Dave and Jack their very best as they attend the World Masters in Minneapolis, Minnesota. They head to the USA this week, they are great ambassadors of Whaleback Nordic Ski Club and the country of Canada.

## We Thank...

Ann Sparkes for taking the lead and expanding the size of 10 Whaleback Bibs. Also, a thank you to Elaine Mills for donating the material.

To the following businesses who have become sponsors of the Outfitters, 48th NL Marathon:

- The Outfitters
- Marble RV
- NL Power
- Atlantic Minerals
- Bay St. George Ready Mix

## PWC

Total kms as of today...1,950kms and counting. If the ski park was in full operation this past weekend, I'm sure we would be closing on 2,500kms. Keep skiing and stay healthy.
