## CELEBRATING 50 YEARS OF HEALTHY LIVING

### **29th Snowy Owl Classic:**

Is now history, 73 participants, 15 from BMD Club. A very nice showing from BMD. The Snowy Owl Cup was claimed by the Stephenville Team with over 3000cm of ski length.

Congratulations to all who participated! Hopefully we'll see you again next year. For those who were unable to participate, you missed a great day and a lovely ski. A welcome to our first sit ski Para Nordic athlete, Cori Hicks to the Whaleback Nordic Ski Club. Big thank you to our volunteers who contributed to making the day a complete success.

### **Candle light Snow Shoe - Feb. 3rd**

Lori Deeley can't wait for Saturday to arrive. Everything is in place for a Candle Light Snow Shoe thru the park. Should be fun...drop out to the park...starts at 7:00PM.

### **Provincial Masters - Feb. 10-11th**

The clock is ticking. Still not too late to sign up. Developmental skiers are welcome. Classic event, Saturday at 11:00AM, Free Style, Sunday at 11:00AM. Should be fun and as usual, great food in the kitchen. Come on out and join the gang. Can't wait!

## **World Masters Update**

Congratulation to Jack White who placed 6th in the 15 km freestyle and Dave King who placed 24th in the 30km free style. Simply amazing! Job well done.

## **Free Membership next year**

Yes, that is correct. Members have been asking me what is the main prize for PWC. Well, its time to let the cat out of the bag. The main prize is a free membership for next year. Every time you ski 50km, your name goes into the draw. Of course, to let us know, you have to put a tick on the chart board that is posted when you enter the chalet. Honor System is followed. Keep on kickin and glidin.

## **Thank You to...**

Barry Fowlow for donating a printer to be used in the Officials Room.

Howard Skinner for bringing one of our snowmobiles to Central Service Station for a maintenance check.
