Mild March month so far...

Trail Conditions as of Thursday

Did it ever pour Wednesday night! However, after 5+ years of installing culverts, digging deep ditches on the side of our trail system, water damage was minimal. Amazing! Get out there and go for it...trails should be in good form for the long hungry month of March.

CCNL Ticket Stubs

There are a couple of members who have tickets not turned in. Remember, draw is this Saturday after the Banquet. We need those tickets in the drum. As the saying goes, you can't win unless your ticket in the draw!

Kip Deeley and Claire St. Croix

Everyone was asking where the two of these members were last weekend while the Loppet was going ahead. After a couple of phone calls, I was able to track them down. Apparently, they were training at the BMD Ski Club. They were getting ready to participate in the Cadet Nationals at Val Cartier, Quebec. Both jumped on a plane Tuesday and gone. We wish them their very best.

Getting back to the Loppet, did you check out the photos on Whaleback Face book page that were taken by a drone. Yes, that's correct. Grant Curnew had his trusty drone flying over head in the stadium capturing skiers as they went by. Not only did he hone in on skiers, 2 moose, 5 rabbits and 7 squirrels were sighted as well! How you go Grant!

Outfitters, 47th NL Marathon

Is she ever ready to go. According to recently appointed TD, Graham Oliver,"... by Friday evening, stadium will be something like you see in the World Olympics, trails will be world class...calling for cool but desirable temperatures on Saturday." What more can you ask for?

Reminders...

Banquet tickets, Marathon T Shirts, Marathon Buttons and bibs can be picked up at chalet at 7:00PM Friday evening or Saturday morning.

Please bring your cell phone while skiing. If you ski upon someone in distress, please call Kenny's cell at 649-4550.

Members are encouraged to wear your Marathon T Shirt at the Banquet Saturday evening.

Looking for 3 Marathon Volunteers

Yes, that's correct; I am looking for 3 volunteers to assist with the feed stations located in the stadium area Saturday. Please contact me at 643-4993 if you are able to assist.

March Special

Each year we offer the March Special membership. If a membership is purchased at the regular rate in March, the member(s) can ski or snowshoe for the remainder of this season and have full membership for next year, also. Not a bad deal!!

We ask our current members to bring the March Special to the attention of their family and friends. I have already spoken to one family about this. They are joining next week!
