CELEBRATING 50 YEARS OF HEALTHY LIVING

February month...went out like a lamb! March month came in like a lamb...lots of skiing left!

CCNL Ticket Stubs

There are just a few ticket stubs out there. A big thank you to members and nonmembers who again this year made the ticket raffle a success. **Remember, draw is this Saturday after the Marathon Banquet.**

The Outfitters 48th NL Marathon

She is all set to go. None of this freezing temperatures and cold wind like last year. Mild temperatures is the order for Saturday. According to the Marathon TD, Bruce LeGrow, trails should be in excellent condition. What more can you ask for?

Reminders...

Bibs can be picked up at chalet at 7:00PM Friday evening or Saturday morning.

Please bring your cell phone while skiing. If you ski upon someone in distress, please call Kenny's cell at 649-4550.

Banquet at the Legion starts at 6:00PM.

President's Wellness Challenge

When I was in the chalet this morning I added up kilometers skied and came up with a total of 15,000 kilometers skied by members of Whaleback Nordic. Amazing...give yourselves a pat on the back. I bet that after the weekend, we'll surpass 20,000kms! Who would believe it??

Club Race Suits

If you were part of the gang who participated in the Whaleback Memorial Loppet last weekend, you couldn't help to notice members of Whaleback Nordic Ski Club all decked off in Whaleback club race suits. Well if you missed them you were blind as a bat! Over the season, in cooperation with our sponsor, OK Tire, the ski club has available race suits for club members. Now how good is that? Members of the Whaleback Nordic Ski club can now be easily identified when they ski at home or on the road. I spoke to Sam Parsons after the loppet and he told me that wearing the ski suit improved his time by subtracting 4 minutes! Must be something to it.

March Special

Each year we offer the March Special membership. If a membership is purchased at the regular rate in March, the member(s) can ski or snowshoe for the remainder of this season and have full membership for next year. Not a bad deal!!

We ask our current members to bring the March Special to the attention of their family and friends. I have already spoken to one family about this. They are joining next week!

Happy Trails
Greg N.
