Fat Tire Bike Guidelines

New! Fat Tire Bikes are permitted in the ski park on a trial basis!

Guidelines:

1. Starting **Monday, January 27th** Fat Tire Bikes are permitted in the ski park on **Monday evenings**.
2. Participants must be a member of Whaleback Nordic Ski Club or purchase a trail pass.
3. Bikes must not be ridden in the classic track.
4. Tire pressure must be adjusted for soft or hard packed trail conditions. 3+ inch tires are recommended.
5. If you leave a rut more than 1 inch, please turn around.
6. Bikers must yield to skiers.
7. If you need to walk, please keep to the left.

As this is a trial, guidelines will be reviewed again in mid-February 2020.
