Jack Rabbit Final Session

Last Friday evening, things were a buzzing in the chalet and stadium area. Stadium games, campfires, wiener roast, Easter Egg Hunt, Tug of War, Fireworks...what a blast. Over 50 Jack Rabbits and parents turned up for the evening and they had a ball. A great time indeed. Big thank you to Mark and Mary, JR Junior leaders and parent volunteers for making the evening and the year as a whole, a very enjoyable experience.

Percy Pieroway Trophy Recovered

Thanks to our neighbors at BMD, the Percy Pieroway Trophy is now where it rightfully belongs...in our chalet. Lots of history associated with this award...Congratulations once again to Jackie LeGrow, Madelyn St Croix and Lori Deeley for winning the award in Marathon, 2016.

Kenny's Tip

Did you know that Kenny won The Man of the Hour Award, 1998? Next time, you have some time on your hands, Google, February Edition of MacLean's Magazine...go to page 46 and read. If you don't want to do that, ask him and he'll take you to his office and show you the plaque. Can you guess the name of the Prime Minister who presented him with the plaque? Contributions towards Kenny's Tip can be turned in to any executive member.

This week's Chalet schedule

Everything is normal in the ski park this week except for Friday. On Good Friday, the chalet will be open, ski park is open, chalet volunteers have the day off, Linda will not be working...there will be no night skiing. Enjoy.

Wood Cutting, Wood Removal and getting ready to touch up some bridges.

That's exactly what is happening this Wednesday at 9:00AM. There is a pile of wood cut already cut that needs to be hauled to chalet...there is a plan to cut some trees that will form the foundation of a couple of bridges on Beaver Tail Flat and finally, although its a tall order to fit all these items in...more firewood for the 2016-17 ski season will be cut. Come along and join in...many hands make a lighter load. Meet Wednesday, 9:00AM at the chalet.
