

Whaleback Nordic Ski Club

Whaleback Times

Happy Easter. What a turn out on the trails Friday...everyone smiling, saying nice things to one another...one of the many positive spinoffs of Cross Country Skiing!

Wood Harvesting

An excellent turnout Wednesday to haul next years firewood to the chalet and to cut a few trees to repair bridges next fall. 9 Volunteers and Kenny answered the call. BIG THANK YOU to Howard, Carter, Graham, Dan, Don Gale, Don Cormier, Jack, Kenny, Peter and yours truly. Looks like the chalet will be pleasantly warm for the 2016-17 season. A great day indeed. Photos were taken of the "Men at Work"...they'll be on the website when our webmaster returns from her Easter Break.

Kenny's Tip

Still not too late to make a contribution to Kenny. You can turn in your donation to any member of the executive.

Thank you...in anticipation of a positive reply.

John in Whitehorse

John is doing quite well competing in the Nationals...in the middle of the pack so to say...he placed 36 out of 87 skiers in the 7.5km free style...in the skate sprint qualifier, he placed 61st out of 88 skiers and in the 10km classic, he placed 40th out of 88. His mom told me that his overall ranking, places him in a three way tie in 17th position. Not to shabby at all. His mom also told me she will have fresh home made on the table when he arrives in town Tuesday!
