Biathlon Bears visit Don's Den

On Saturday, Biathlon skiers raided Don's Den...for a Easter Egg Hunt...so I hear. Great job...as one member put it..."the children in this area got it made." A special thank you to the leaders involved with the Biathlon Bears. Did you know that they are looking for New Leaders?

Deadline for Kenny's Tip

The clock is ticking, time is running out...deadline is Friday, April 1st. Please pass in contributions to any member of the executive.

Exercise Caution on the trails

Its that time of the year when the sun, or lack of it, can change trail conditions to excellent to dangerous very quickly...especially skiing in the PM when temperatures begin to drop. Exercise caution, conditions can become icy or ruts can become very hard in the evenings. Again, please bring your cell phone when skiing.
