

Whaleback Times

November 29, 2018

Hello again...second copy in one week...things are busy...and the weather, man, oh man, oh man!

General Membership Meeting - Sunday, Dec 2nd at 2:00PM

Yip, its a go...discussion on the ski season to follow. Come along, hot coffee...a scattered treat available...why not join us as we prepare for the upcoming season. Even received an email from Dan R. wondering about the start time...he said he wouldn't miss it for the world. See you there.

Christmas Parade - Saturday

Remember the Whaleback Banner that was proudly posted at the end of Main Street? Its down and thanks to Madelyn St. Croix, will be on display during the upcoming Christmas Parade. She has been contacting members but if she missed you and want to accompany her and the gang, you should be on the ramp, 6:00PM Saturday. Bring your ski poles and dress appropriately.

Whalebackers on The Labrador

Yes, there are members attending a Provincial Ski Camp and this weekend's NL Cup #1 Race at Menihek Nordic Ski Club. Sam Parsons, Isaac Blundon, Bruce LeGrow and Dave King are up that way having a great time. We wish them the best.

Thank You to Jocelyn Hynes + family

We also wish Jocelyn and her family the very best as they agreed to be the club's designated moose hunters. Hopefully they'll fill that license and we'll have plenty of moose in the kitchen this winter.
