

Jackrabbit 2020 Season

Jackrabbit registration began on January 6, 2020. First ski session was on January 12 and last ski session was March 15 for a total of 8 sessions. February 2 was cancelled because of weather and March 8 session was cancelled because coaches were not available. 28 children registered for Jackrabbit this season. I oversaw the program and coaching. Hannah Stokes was the main coach for the Bunnyrabbit group (ages 2-4 / 8 children), I coached the level 1&2 Jackrabbit group (ages 5-6 / 7 children) and Mark Burt was the main coach for the Jackrabbit level 3+ / Track Attack group. This group was often split into two groups based on skate or classic/numbers/age/ability. Erica Noonan and Claire St. Croix often helped with this group. Other regular volunteers were Zachary White, Jacob Hatcher, Alex Gosse, Michael Budden and James Burt. Parents Mandy and Derek O'Reilly did set up each week. Carla Crocker was in charge of kitchen and made sure there were cookies and hot chocolate. Unfortunately the Jackrabbit program had to end early because of covid-19 and end of year celebration was cancelled
