Whaleback Nordic Ski Club

Merry Christmas Folks:

"The weather outside is frightening"...to say the least, lots of snow...trails are improving every day.

Trail Report

I apologize to those members wondering what happened on the trails today. Bit busy cleaning driveway and carrying out some last minute Christmas preparations. You know what I mean! Each morning, Kenny is either packing snow or grooming the Foxtrot and Percy's Path. Today he was able to groom before it turned mild. As with clipping summer growth, he has all of Ravens Ridge and Snowy Owl completed and ready to go. Next on his agenda - Olivers Twist. So, until the 26th, unless you hear from me, assume PP and FT will be groomed each morning. Oh yea, he informed me that as a result of wind overnight, there are a few rocks exposed on the top of Herringbone hill. Exercise caution. After the 26th, Trail Reports will be on the website.

Membership numbers are growing

Spoke to Peter today...he said thus far we have 119 members all signed up. Not too shabby at all. Spread the word, discount expires December 31st.

Thank you to...

Dave King and Ivan MacDonald who arranged and fastened the word Whaleback and our club logo on the chalet. Great job indeed.

At this time, I wish you all a Merry Christmas, I hope you enjoy this festive season.
