Whaleback Nordic Ski Club

Good Day folks:

Thank you to...

Chalet volunteers who volunteered to keep things in order at the chalet Monday - Friday from 12:00-3:00PM. Last year, the club was very fortunate to receive Covid funding and as a result were able to have the chalet staffed by paid employees. It worked great, members were not requested to volunteer in the chalet. This year, there wasn't any Covid funding available and with reservation (Covid was still lingering on) the club went to its members requesting their assistance to staff the chalet for a portion of the day. Ten volunteers and 2 substitutes signed up. An excellent response indeed.

Thank you, thank you, thank you for your time and effort which contributed to making the chalet run smoothly. Greatly appreciated.

Megan Ryland and her leaders who assisted in delivering the Jack rabbit Program. Also, hats off to the parents who assisted in many areas, particularly in the chalet. I received plenty of positive comments and vibes about the program...a testament to the popularity of the program. I feel the feather in the hat was the excellent attendance in Corner Brook last weekend at the Provincials. I hope it is a sign of things to come. Again, thank you to Brian Dunphy who found time to work with some of the "older" JR children on Sunday's, prior to the start of each session.

[A link for the Provincials was sent to members yesterday...check it out...plenty of nice photos from Saturday's races.](#)

Kenny's Performance bonus

Thank you to the many members who contributed to his bonus. Getting to be an echo but...greatly appreciated by Kenny.

Reminder...the chalet door is locked 6:30pm each evening.

Finally...where air temperatures are not very cold overnight, the trails either groomed or not groomed are great using waxless classic skis. Had a wonderful ski today...BeaverTail Flat was awesome.

Till next time

Greg N.
