Whaleback Nordic Ski Club

Closing Time

Effective Sunday, April 10 at 7:00PM, the chalet will be locked for the season and the parking lot gate closed and locked. We are officially closed for another ski season.

We are fortunate in that we experienced a complete season...except for the torrential rain in January, it was great skiing.

Next time you'll be hearing from Peter or myself it will remind you of our upcoming AGM...probably in early May. Stay tuned.

Happy Easter and take care.
